

Dear Parent/Carer,

The start of the new school year brings the chance to try new things. Here is our offer for extra curricular clubs for the Autumn Term. Please go through this with your child/children and choose 3 choices from the extensive list below.

Choices need to be returned to school no later than Tuesday 10th September.

(Football trials will take place this week and the team will be selected as a result of these trials)

Thanks for your support,

Mr Lees
