

Meeting Minutes 26th January 2017

Present

All

Agenda

- Review previous minutes
- Update on outdoor area funding
- Eco Club

Action

- The school council has been donated £500 from the Governors to fund the outdoor areas after Gypsi, Taylor and Ellis presented their ideas. Since then the PTFA have said that they have funding available too. Gypsi, Taylor and Miss H will fill out a funding application. We will also pick out the names of 4 more children to help with the project as it is so large! We decided that it was fair to pick names from a hat as everyone wanted to help!
- Thomas and Warren will lead a team to improve the MUGA at lunchtime. They will meet with Coach Tom to see if he can provide different games other than football. Suggestions were dodgeball, basketball, PE style games.
- The next class meeting will be set up for classes to complete by 3rd February and we will ask classes which games they would like to play on the MUGA.

AOB: none

Next Class Meeting: week ending 3rd Feb

Next Council Meeting: Spring 2 TBC
